MIDDLEBRANCH HIGH SCHOOL

Foreword

THE graduating class of Middlebranch High School wishes to present to its parents, teachers, and friends this eighteenth volume of the Memoir.

In this book we hope to capture for the underclassmen, as well as the seniors, memories of the good times that were had at M. H. S. during the past four years.

As seniors we want to be remembered for many things: our athletes, the prom we put on our junior year, our leaders in extra-curricular activities, and the great ad salesmen on our business staff. But most of all we want to be remembered for our edition of the Memoir.

We have tried to make this book one that will help you to remember the Class of '54 long after our graduation.

Class

IN this morning's mail, I received a very interesting letter. When Bill Shurman, one of our old classmates from M. H. S., delivered it, I had no idea how interesting it would prove to be. It was an invitation to the class of 1954's first reunion. Incidentally, this is 1969, fifteen years after our graduation. It was to be held at the Massillon American Legion Hall in the Blue and White Room.

When "The Day" arrived, I climbed into my flashy new two-tone Nash (sold to me by that top-flight Nash salesman, John Miller), anxious to learn what the last fifteen years had brought for my old friends. The way to the Hall seemed familiar as I passed Snyders' Potato Chip factory and saw Joyce Snyder wave to me from the President's window. I was well on my way when I passed a billboard advertising the coming performance of the Barnum and Bailey Circus, featuring their star flea charmer, Viva John, and Mary Beard as the bareback rider. I was almost there now, as I noticed a large sign, "Tom Dabney's Greenhouses: Flowers for All Occasions; Dave Fawver, Chief Horticulturist. "One Mile Ahead." Yes, I thought to myself, "Those two have done all right for themselves."

I finally arrived and found my place at the table. Betty Cavalier, the famous Italian haircut model, sat beside me. She had on a beautiful knit suit, one of Norma Metzger's exclusives from her plush 5th Avenue shop. The food served at the reunion was delicious. It was prepared by the head cook of the Hotel Onesto, Winifred Humphrey.

Pat Twinem has taken over Winchell's job in his old age and was in a good position to give me the low-down on a lot of us. She said that Gary Pepper of the F. B. I. is investigating Richard Lesh, the author of "How to Get Rich Anyway." Margery Murphy is private secretary to the governor of Virginia, who is none other than Annabelle Karns, candidate on the independent ticket. I asked my source of information why Dave Calhoun wasn't here, to which she replied that business pressure kept him at home. (He teaches Hawaiian girls to hula.)

As I looked over the crowd, I spotted Pat Florey, our class president, chatting with Paul Vogelgesang. Pat is the lawyer who tied up the details of the purchasing of the old United Nations building by the business tycoon, Donna Byers. Paul is the architect for the new building and Ronald Young, the plumber. Donna, who plans to make a hotel out of the old one, has already received reservations from Ambassador Charles Drenta from England. He will fly over on a plane piloted by T. W. A.'s favorite, Louis Chenot.

I also noticed Judy Watkins with her husband, the president of the B & O Railroad, talking to Norma Myers and her husband, president at Yale University.

It was time for the entertainment and first on the program was Sue Lenhart of the Metropolitan singing an aria from "Tosca," and Norma Zumbro, her regular piccolo player. The next pursuer of the entertainment world was "Houdini II," formerly Joe Gallucci, who began his mysterious magic act by sawing his accompanist, Mary Carosielli, in two. (Mood music by Jim Hendershot, who sang "That Old Black Magic.") Melford Groom, the King of Gloom, then gave his rendition of "Dark Town Strutters' Ball." Then there was an art exhibit featuring the work of Mary Covate, renowned New York artist. The best work of her career, done for the 1954 Memoir, was also on display.

The lights went on and the master of ceremonies, the Reverend David Kell, announced that due to circumstances beyond his control Katherine McKee, Karen McKeel, and Helen Miller, of the McKee, McKeel, and Miller Tumbling Troupe, were unable to attend because of weather conditions. Pinch-hitting for the tumblers was Bill Ruch, famous lecturer, who gave a talk on the Koala Bear of Australia.

Across the table from me was Barbara Dysle, the well-known horse trainer, instructing her ambitious jockey, Bob Young, how to talk to a horse. Speaking of animal lovers,

Prophecy

Carol Stockburger, the lion tamer at the Bronz Zoo, was commenting about a "stupid one that doesn't stay on his chair" to Larry Werstler, who is going on a safari to Africa next month.

By way of the grapevine, I discovered that Pauline Henzel, due to her fondness of the Alma Mater, stayed on to be their physical education instructor. Janice Mareno is dean of women at Vassar, and Doris Masters has opened a chain of profitable super markets over Ohio.

Donna Stearns is giving ballet lessons in Cincinnati, and it is rumored that Fred Skelly and Lee Dyer are her most promising pupils. Dean Imler, being the star reporter of the New York Times, says that a brilliant astronomer, Jerry Henkel, has just discovered a new planet, and Bob Stickel is now working at the post office in New Orleans licking two-cent stamps. Ellis Erb finally got his chance to be coach at Ohio State University and had a good season. This, however, could not be done without the aid of his faithful water boy, Lindall Shaffer. Bob Jones, so they say, is the best bouncer at "The 21."

It seems that with all this excitement I had forgotten to eat, and I asked Denny Psolla, an up-and-coming Powers model, why she didn't eat. She replied, "I have to watch my figure."

After inquiring around a bit, I found out that Mary Capuano is employed in a candy factory putting wrappers on the "Oh Henry" bars. While Howard Bentz is president of the Temperance League, Dick Davidson is a dish washer in the U. S. Marines and Charles Kington dries them. Dominic May and James Kincaid are teaching agriculture to the Eskimos of the Artic region.

A famous group called the "Silly Six" are making a tour of Europe to brighten the morale of the Europeans. They are Pat DeLashmutt, Theresa Venditti, Mary Yoho, Nancy Werstler, Carol Senter, and the silly one. They will probably receive the Nobel Peace Prize for their efforts.

Another touring group is "Ike (Albert) Richeson and his Indian Juggling Act," Roy Groom and Lewis Smith being the Indians. Ruth Betts books their acts.

Well, it was getting late, and having found out about all my old pals, I started my car and drove out the drive. I heard such a terrible clatter in my front wheel, that I got out to see what was wrong. I took off the hub cap, and found much to my surprise a few large stones plus a card reading: "Compliments of Dr. Delnor Neighbor, Psychiatrist."

THIS year the Diamonds, under the new leadership of Coach Al Mazzaferro, compiled a season record of five wins and three losses, with the three losses all being league games. Paced by fullback Paul Vogelgesang's 32 points, the Diamonds racked up 123 points to their opponents' 109.

At the close of the season the team elected Gary Pepper as honorary captain and Paul Vogelgesang as most valuable player.

Two Diamond gridders--Paul Vogelgesang, senior, and Earl Barley, junior--received All-County honors.

*T*HE Middlebranch Diamonds, playing the last season in Class "B" ranks, compiled a league record of 5 wins and 8 losses.

The Diamonds fought an uphill battle all the way in that they had a totally inexperienced team, having only one returning letterman, Dale Evans. Evans paced the Diamonds' scoring, racking up 317 points.

The Diamonds, playing their first Class "A" tourney game, upset the highly-favored Orrville team 48-47. Then advancing into the semi-final, the Diamonds went down in defeat 64-44 against the Timken Trojans, the twelfth-rated team in the state.

The Diamonds showing great fight and determination proved that they have great possibilities for next season due to the fact that they shall be losing only one letterman, Bob Young, the only senior on the team.

THE Diamonds' track team, in their second year of existence, gained a third place berth in the county meet, only three points behind second place Brewster. Chuck Riffle proved outstanding by placing in the 440 yard-dash in the district meet at Salem, thus earning a trip to the state meet at Columbus. The cindermen proved tough throughout the season by tripping the North Canton Vikings 65 to 55 in a dual meet at North Canton and by outpointing Hartville and East Canton at Hartville 44-39-36 in a triangular meet. Although Coach Klay considered this a building year, it shows the Diamond's future potentialities.

Those earning monograms were Chuck Riffle, Ralph Cline, Paul Vogelgesang, Larry Werstler, Bill Ruch, and Del Neighbor.

*T*HE juniors have had a very successful year due greatly to the advisors, Miss Pickenpaugh and Mr. Klay.

As the year began, the juniors elected as their class officers the following: Dale Evans, president; Erick Cameron, vice president; Ethelann Easthom, secretary; and Phyllis Davenport, treasurer. Elected to the post of candy manager was Mahlon Schmucker, assisted by Wayne Dunn.

During the football season the juniors were well-represented with nine boys receiving letters. Earl Barley also received congratulations for being chosen to the All-County football team. The juniors also were represented during the basketball, baseball, and track season with many boys receiving letters in each sport.

Stepping high in front of the band at halftime were Tyrone Vaughn and Ethelann Easthom, who served as majorettes. On Homecoming Day the junior attendant in the Queen's court was Ethelann, with Curtis Faber as her escort. Leading the cheers from the sidelines were Joyce Ann Hill and Linda James as varsity cheerleaders.

Ending an eventful year, the juniors held a very successful Junior-Senior Prom in the form of a dinner-dance.

A year of Achievement

SANDY VALLEY HIGH SCHOOL

These major projects of 1953 reflect sound planning and lasting service for the needs of growing communities

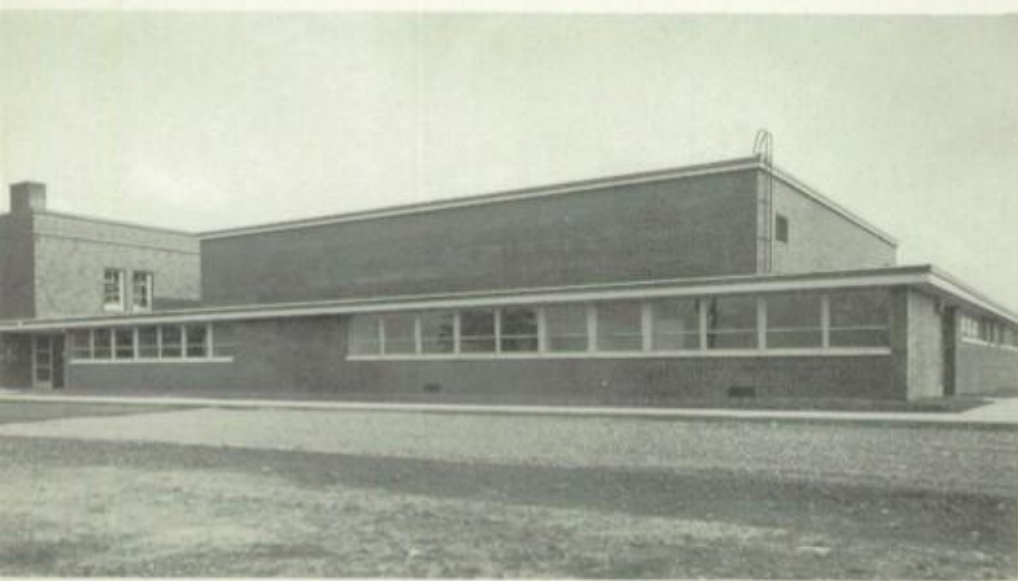

The year just past saw an impressive number of public buildings erected in and near Canton. These were designed by local architects, approved by local boards, committees, or individual owners, and constructed by skilled workmen from among your neighbors.

Photographs of these structures prove the truth of the old saying, "Men build what they are". For modern, forward-looking citizens, these buildings have the spirit of the times. We are grateful for the opportunity to prove that local construction management can successfully carry through from drawing-board to dedication.

All who gave thought and labor to realize these handsome buildings will find special meaning in the words of John Ruskin:

"Therefore when we build, let us think that we build forever. Let it not be for present delight, nor for present use alone, let it be such work as our descendants will thank us for, and let us think . . . that men will say as they look upon the labor and wrought substance . . .

"See! this our fathers did for us."

Why did they come to America?

The pilgrim fathers took quite a
chance when they set sail for the
new world. They were willing to
risk their lives and suffer untold
hardships for the chance to become free
people... to worship, to write, to speak
and to assemble as they saw fit.

These freedoms which the pilgrims
sought are ours today. Guard them
well and use them wisely.

LIFE-TIME CASEMENT WINDOWS

Which is stronger?

IT'S the one on the right because it's a door of an American home. No one can get through without permission. Not even a policeman, unless he has a search warrant.

Here, in America, your right to freedom from search without warrant is guaranteed by The Constitution itself.

How different behind the iron curtain! There, the people have no such protection. And even a solid oak door, strong enough to guard a fortress, can't keep out the secret police. When they want in they get in, eventually, even if they have to use a battering ram. But the flimsiest screen door in America can keep out the police unless they have a search warrant.

Because we Americans take our rights for granted, it's hard to believe that there are "pinkos" and fellow-travelers amongst us who want to take away our freedom from search without warrant. It's just part of their plan to steal all our rights, like the right to own property, the right to work wherever we please, the right to vote secretly and all the rest.

The best way to protect a right is to use it. So if you ever hear anyone come out in favor of permitting arbitrary search and seizure on some pretext or other, set him straight! Remind him that freedom from search without warrant is a right guaranteed every American by The Constitution.

Remember, they're *your* rights, so treat them *right*!

DO YOU KNOW YOUR RIGHTS?

As Americans, we have the greatest freedom and the highest standard of living in the world. Help keep it that way by knowing your rights and guarding them well. Some of them are:

- Freedom of worship
- Right to secret ballot
- *Right to know how your union spends your dues
- Freedom of speech
- Freedom of the press
- Right to criticize officials
- *Right to know salaries of your union officers
- Freedom from search without warrant
- Right to petition government for redress of grievances
- *Right to know if your union officers are Communists
- *Right to know how your union is run
- Right to speedy and public trial by jury
- Right to help of a lawyer
- *Right to hear your employer's side of disagreements
- Right not to appear as a witness against yourself
- *Right to refuse to permit the "check-off" of union dues
- *Right to go direct to your boss with a grievance
- Right to be presumed innocent until proved guilty
- Freedom to own property
- *Right to work despite union jurisdictional disputes
- Freedom to work in any locality
- *Right to proper supervision of your union welfare funds
- Freedom to start and manage a business
- Freedom to make a profit
- *Right not to be fired by union leaders
- **Right to vote on company's best offer

*These are rights you enjoy under the Taft-Hartley law.
**This is a right enjoyed by members of United Steel Workers, C.I.O. only when the Taft-Hartley law is invoked.

**THEY'RE YOUR RIGHTS,
TREAT THEM RIGHT!**

Handwritten text in Arabic script, likely a manuscript or ledger. The text is densely packed and covers the entire page. The script is cursive and appears to be from a historical period.
